Dear Ladies and Gentlemen,

I am the purchasing manager for my company, ...
We are selling ... in Europe and our company is located in ...

We are in the process of adding ... to our product line and yours seem to be very interesting.

Can you tell me something about your company? Do you already sell ... to Europe?

We have several questions about the product and the order process. Please answer the following questions one by one:

1. How much do you charge for the samples and the shipping to ... with Air Express?
2. Can we use Paypal, to pay for the samples?
3. What is the cost per unit (including shipping by Air Express to ... door to door delivery / FOB price), if we order ... Units?
4. Which material do you use? Do you have some other versions of the product? Can you change ... for us to ...?
5. Can we brand our logo on the products?
6. What kind of packaging do you offer normally? Could you also offer a special packaging - customized?
7. How long is the lead time for all the products, once we place the order?
8. Do you accept Trade Assurance?
9. What is the MOQ of this product?

Thank you and nice greetings from ...
Best Regards
